

WE LOOK TO YOU – Key of A

Terrence Scott

Verse 1

You walked on water, made the blind to see
Healed the sick, set the captives free
Raised the dead, conquered the grave
Gave us life, hope and grace

Chorus

We look to You, we look to You
Fill this place with Your grace and the
Presence of our King
We look to you, God, we look to You
With no restraint we offer praise
Giving all for Your name, Jesus

Verse 2:

You came to save, a dying world
And bore the stripes that we deserve
Now He's alive, alive in me
You broke the chains and set me free
